

# AIQ Special 2-day Seminar

## Orlando March 27 and 28, 2004

**DAY ONE - Saturday March 27, 2004**

8:30 am - 10:15 am

### Getting the Best out of AIQ - David Vomund

In this session David will cover topics designed to enhance your experience using AIQ, including, hot-keys, historical stock CD, list creation, US score, technical indicators, and analysis techniques.

10:30 am - 12:15 pm

### Introduction to Trading System Design using EDS - Stephen Hill

Stephen will discuss the key elements of AIQ's Expert Design Studio, including Pre-Built Routines, modifying Pre-Built Routines, running a single rule model, using and back testing canned strategies.

12:15 pm - 1:45 pm

### AIQ Hosted Lunch

1:45 pm - 4:00 pm (with 15 minute break)

### Designing and Building Trading Systems using EDS - Stephen Hill

This session will cover the entire process of building a trading system from defining a strategy in plain English to writing the code, and then running the rule in the Portfolio Simulator, discussing capitalization and exiting strategies.

**DAY TWO - Sunday March 28, 2004**

8:30 am - 10:15 am

### Long Term Trading Systems - David Vomund

An in-depth discussion of effective end-of-day trading systems, very appropriate for those with day jobs. David will draw on his extensive research as AIQ's Chief Analyst and as a professional money manager.

10:30 am - 12:15 pm

### Profitable Trading in Today's Markets Part 1 - Steve Palmquist

The first of Steve's two sessions will focus on short term swing trading techniques, reviewing 10 different scans. He will also cover the importance of testing in different market environments and how to improve basic scans.

12:15 pm - 1:45 pm

### AIQ Hosted Lunch

1:45 pm - 4:00 pm (with 15 minute break)

### Profitable Trading in Today's Markets Part 2 - Steve Palmquist

Continuing from the morning session Steve will cover techniques to limit trading to favorable market conditions, using scans to find current trading candidates and delve into lessons learned from active trading.

# AIQ Special 2-day Seminar

Orlando March 27 and 28, 2004

## Presenters

A stock investor and AIQ user, Steve is developer of the Daisydogger.com investment web site, and author of several trading newsletters including the Timely Trades newsletter.

Steve Palmquist, Developer Daisydogger.com

David Vomund is editor of AIQ's Opening Bell newsletter, and publisher of VSalert.com. Timer Digest rates his Market Timing as one of the ten best for the eight year period ending 12/31/02.

David Vomund, Chief Analyst, AIQ Systems

Stephen Hill is Vice President of AIQ Systems. Steve has 12 years experience with AIQ products. He has been involved in all aspects of AIQ through support, sales and teaching seminars.

Steve Hill, Vice President, AIQ Systems

## Special 2-day seminar

In a marked change from previous one day road shows, AIQ is pleased to offer a special 2-day seminar in Orlando.

## All abilities invited, there's something for everyone

This seminar will cover not only how to effectively use AIQ, but also how to design and build your own trading systems.

## Learn from presenters who use AIQ to actively trade

To further illustrate AIQ's belief that investors need to develop their own trading strategy, David Vomund and Steve Palmquist will share insights into their AIQ-based trading systems which they use for their own trading.
